

PRESIDENT'S MESSAGE

The 70th National Meeting of the AIC has just ended. It included "governance" sessions and "technical" sessions. The meeting was fairly well attended although the local response was not as good as expected. The program was certainly excellent with two concurrent sessions both Friday and Saturday. The Ethics Award talk by Dr. Margot O'Toole was inspirational, and the Chemical Pioneers' presentations were outstanding. The Chemical Pioneers' program featured two Nobel Laureates (Drs. Barton and Merrifield) and two other world-class speakers (Dr. Olah and Rabo). The Gold Medal talk by Dr. Fred Basolo was a fine example of both science and humanism. The AIC has always had truly excellent Gold Medal awardees—this year was no exception.

The Board Meeting was very productive. The Finance Committee chaired by Treasurer Bill Hanford, Jr. reviewed the 1992 CPA financial report and determined that the AIC operated with a small profit during 1992 which further reduced the negative General Fund owner's equity on the December 31, 1992 Balance Sheet. The General Funds of AIC as of the date reported showed balances of -\$13.8K, +\$18.0 for the Public Education Fund, and +\$12.8 for the Life Fellow Fund. Thanks to a \$10,000 donation by Du Pont De Nemours and Company and continued control of expenses, January's General Fund owner's equity for The Institute was positive. This is the first time in many years that our General Fund has had a positive owner's equity, which means The Institute has attained a degree of financial stability. The Board approved the 1993 budget which, along with the 1992 budgeted and actual figures, is shown below:

Revenue

	1992 Budget	1992 Actual	1993 Budget
Dues & Contributions	232,000	240,967	204,100
Membership Affairs	3,000	357	300
Publications	18,000	22,869	18,250
Certification	14,000	10,846	10,700
National Meeting	15,080	10,120	9,400
Miscellaneous	8,000	12,616	11,000
Total Revenues	290,000	297,775	253,750

Expenses

	1992 Budget	1992 Actual	1993 Budget
General & Administrative	210,000	213,132	182,850
Membership Affairs	30,000	15,455	22,000
Publications	47,000	37,699	35,700
Certification	7,000	8,725	5,400
National Meeting	4,000	5,512	4,800
Other	2,000	1,432	3,000
Total Expenses	300,000	281,955	253,750

Other Board actions were: 1) reviewed the preliminary AIC Strategic Plan; 2) encouraged the National Certification Commissioners to expand its program; 3) all standing committee reports submitted were reviewed and accepted; 4) the 1992 Membership Campaign was reviewed and suggestions were given on how to implement the 1993 Membership Campaign; 5) reviewed the 1992 AICF Fund Development Campaign, results, and follow-up process; 6) a discussion on AIC Local Institutes' Bylaws revisions; 7) approved preliminary plans for the 1994 National Meeting which will be held in Indianapolis and chose the San Francisco Bay area as the site for the 1995 National Meeting; 8) discussed the National Office and two personnel items.

If any member wishes for the information about any Board action or has suggestions for AIC activities, please contact me at the University of Wyoming, Laramie, WY 82071-3820; or call 307-766-5445, or FAX 307-766-2697.

Payment of Dues

Those AIC members and associates who have not paid their 1993 dues should do so, as soon as possible, as they will be considered expired as of June 1993. After that time all membership privileges will be suspended until such time as dues for the year are submitted.

1993 AIC COMMITTEE LISTS

The President of the Institute assigns committee chairs each year. All members of the committees are assigned by the President and Committee chair. The work of AIC members and associates who serve on committees is invaluable to the operations of The Institute. Listed below are AIC Committee listings and Board Liaisons as appropriate.

NEW MEMBERS

Listed below are new AIC Members who have joined The Institute in January, February and March. All have been approved by the AIC Qualifications and Admissions Committee.

William L. Bingham, SAIC	James L. Chao, FAIC
Thomas F. DeRosa, FAIC	Kevin D. Draper, MAIC
Thomas Garrett, FAIC	James D. Gatto, MAIC
Peter D. Gorycki, SAIC	Elizabeth P. Jacinto, FAIC
John W. Ho, FAIC	Susan A. Lerke, SAIC
Matthew J. McDonnell, MAIC	Steven W. Mesia, MAIC
Quirinus R. Miranda, FAIC	Niranjan E. Nugara, MAIC
Sherri L. Prinsen, MAIC	Kim D. Reed, MAIC
Michael J. Shtilman, FAIC	

The Institute would like to remind all AIC Fellows that they may become Members of the Royal Society of Chemistry (RSC), Fellows of the RSC may become Fellows of the AIC. In both instances, referees are not required to support the applications. It is, however, a requirement that applicants have their forms certified by the institution to which they belong as a "Fellow in good standing" to qualify.

AIC Fellows applying for admission in the RSC must furnish three referees, two of whom must be Fellows of the Royal Society of Chemistry.

Those AIC Fellows who may be interested in membership in the RSC should contact the AIC National Office for more information.

Certificate replacements: Any AIC members who have damaged or misplaced their certificate of membership can now get a replacement for just \$20 each (to cover the cost of printing, calligraphy, and shipping and handling)—please contact the AIC National Office in writing. In your request note the reason for replacement, status of membership and ID number (if available). If you prefer your doctorate, Mr. or Ms. on your certificate, please also specify.

LOCAL INSTITUTES COLUMN

The following representatives were present during the AIC Board of Directors meeting and the Local Institutes Meeting during the AIC National Meeting in March: Dr. Robert S. Melville, DCIC; Mr. William W. Gorman, Jr., FLIC; Dr. Thomas Passell, GCIC; George MacAllister, MichIC; Mr. Roy D. Uhlman, NJIC; Mr. Adrian H. Cubberley, NCIC; Mr. Lewis Weisfeld, PhilaIC; and Dr. Roger R. Festa, St. Louis IC. Those that were present during the Local Institutes Luncheon gave outstanding reports; any AIC members interested in any specific report(s), please contact the AIC National Office for a copy.

The American Institute of Chemists Foundation again salutes additional 1992 Student Award Recipients. The AICF also congratulates and appreciates the assistance of participating colleges and universities, and particularly the AIC Local Institutes in the implementation of this very special program of the AICF.

In this issue of THE CHEMIST we have Student Awardees from the Philadelphia and Tennessee Locals.

Stanerson received ACS' Parsons award

Bradford R. Stanerson, an AIC member since 1959, received the 1993 Charles Lathrop Parsons Award from the ACS. The award is presented no more often than every two years for outstanding public service by an ACS member.

Obituaries

Max Kronstein, a research chemist, died November 21, 1992 at his home in Riverdale, NY. A native of Basel, Switzerland, he received his doctorate at the University of Leipzig in 1922. From 1946 to 1955 he taught at New York University's College of Engineering and stayed as a research scientist until 1973. His specialties were polymers and surface coatings. He was elected to AIC membership in 1950.

Billy B. Hibbard, died October 16, 1992. He was elected to AIC membership in 1968 and was an AIC Fellow.

Gilbert Shull, died November 30, 1992. He was elected to AIC membership in 1957 and was an Emeritus Fellow.

Herbert Robinson, died January 19, 1993 after a prolonged serious illness. He was elected to AIC membership in 1957 and was an Emeritus Fellow.

Eugene M. Grivsky, passed away on February 19 at Fairfax Hospital of congestive heart failure. Grivsky, 81, was retired researcher in organic chemistry and held patents for drugs used in the treatment of cancer and epilepsy. A native of Pskov, Russia, Grivsky was raised in Estonia and Latvia.

He became a Life Fellow of the AIC in 1969.

POSITIONS AVAILABLE
